Randolph Central School Corporation recognizes that with the implementation of the Device initiative there is a need to protect the investment by both the corporation and the student/parent. The following outlines the various areas of protection/coverage: warranty, accidental damage protection insurance, intentional damage or if lost or stolen.

SCHOOL OFFERED PROTECTION

The school corporation is self-insuring the Devices in the event of theft, loss, or accidental damage. The annual cost of the insurance is \$10 per device. The first incident of accidental damage will be repaired with no additional cost to the student/parent. The student/parent will be responsible for paying \$50 for any additional repairs needed throughout the course of the school year. Power cords, chargers and cases are not covered under the insurance plan. **Students will receive a replacement Device from the technology department while their Device is repaired.**

PERSONAL HOME OR HOMEOWNERS COVERAGE

Students or parents may wish to carry their own personal insurance to protect the Device in case of theft, loss or accidental damage. Please consult with your insurance agent for details about our personal coverage of the Device. You will need to show proof of insurance to the school before your student is allowed to check out an Device. **There will be a significant delay in receiving a replacement Device while insurance claims are processed.**

NO INSURANCE-PAY FOR REPLACEMENT

You agree to pay for the replacement of the Device at a cost not to exceed (\$300 Chromebook/\$600 iPad) should the Device be lost or stolen. If accidentally damaged, you will pay any repair costs. **There will be a significant delay in receiving a replacement Device while the Device is being repaired or replaced.**

**I agree to the following Device Coverage in order for my student to receive a Randolph Central Device.**

\_\_\_\_\_ Individual School Offered Protection-I understand that the annual payment of (\$15 Chromebook/\$25 iPad) is non-refundable, and there is a \$50 deductible if lost, stolen or a second incident of accidental damage occurs.

NEGLIGENCE OR INTENTIONAL DAMAGE:

Students/Parents are responsible for full cost of repairing any intentional or negligent damage to a student's Device. Warranty, or school offered Device protection does not cover intentional or negligent damage. Negligent or intentional damage will be determined on an individual basis.

LOST OR STOLEN

If a student's Device is lost or stolen, a police report must be filed by the parents. Once a school owned device has been reported as lost or stolen, the device will be rendered inoperable by Google. This means that the device is deactivated and will no longer function. If a student loses or has a stolen second Device, the parents will be responsible for the full cost of replacement.
