The members of Randolph Central School Board of Trustees are regularly updated by the Superintendent and other administrators about happenings in the district. They receive a large packet of information prior to every meeting. They are diligent in reading this information and staying updated on a variety of topics. The Randolph Central Board of School Trustees is committed to the "Best Practices" of the Indiana School Boards Association in that any questions are asked of the Superintendent prior to the meeting, and they come prepared to vote on issues at hand. While it might appear at times that the Board has not given careful consideration to matters on which they vote, they are, in fact, all fully prepared to cast their votes based on the information that is received prior to the meeting.
